CORRUGATED PLASTIC MATERIAL HANDLING TOTES (Nesting)

NW Packaging manufactures Corrugated plastic Material Handling Nesting Totes.

These nesting totes are wire-reinforced for added strength and are equipped with hand holes for easy lifting.

We can custom design a perfect size for your own specific application.

With many colors available, you can color coordinate your entire storage inter / intra office, and general purpose material handling use.

Our experienced Sales Staff will guide you through the many size, design, and color options.

FEATURES:

- Lightweight & Durable
- "Soft Lift" hand holes for easy, non abrasive lifting.
- Smooth inside eliminates product hang up
- Nestable - so it saves floor space when not in use
- Wire reinforced
